

2021

AUTUMN'S GLOW – RISE AND SHINE!

Warm greetings to you all,

Amid ongoing COVID challenges, Cancer Care of NCW continues at an admirable shining pace (28 years), assisting courageous cancer patients with not only housing but other supportive social services. Our House is currently operating at limited capacity (COVID response guidelines) along with physical distancing, masking and sanitizing procedures.

Good people here – those we serve, along with ever-committed staff, volunteers, Board and Committee members, and stellar ever-faithful donors. Shining personified beacons of light are all around us, helping to weather the stressful storms of the heightened emotionality of coping and problem solving during these times of division and opposing points of view. What divides us, what unites us – cancer doesn't give a hoot and the ultimate focus is on accomplishing our mission (conquering cancer). The grasp of COVID's double-fisted punch cannot hold us back. Can we do it? Yes, together we can. **BE THE LIGHT.** Carry the torch to inspire, guide, and bring hope to others with constructive, supportive teamwork. We are so grateful for your help.

We thank Sandi Miller (and Mike) for taking on the Night Manager duties this past summer. Wearing many hats, Sandi's "can-do" attitude shines. **WELCOME BACK VICKY!!**

Welcome to Emily Scovill, Outreach/Communications Coordinator who jumped on board with both feet – much accomplished already (grant writing, updated website, new phone system, technology/office updates, National Hospitality House certification work, and more to come).

Special words to volunteers – we look forward to your return and your day is coming. We will have the "lights on for you" – can't wait!

Be sure to note the upcoming holiday fundraising sponsorship opportunities – the Forest of Hope (personalized luminaria with placement on December 15) and the Tree of Hope (decorated ornaments) right here on Our House grounds. See newsletter enclosure for more information. Illumination grandeur!

Thank you, everyone, for all that you do.

Norma Scovill, Board President

"Nothing can dim the light which shines from within."

Maya Angelou

To members of **Chelan & Douglas County School Retirees' Association** for your generous donation toward the purchase of new linens for Our House. A special thanks goes to Jennie Hedington and Nancy Voleson for spearheading this endeavor.

YOUR PRECIOUS DONATIONS TO CANCER CARE ARE TAX DEDUCTIBLE

The majority of your donations fund the operation and maintenance of Our House by providing a home-away-from-home for out-of-town cancer patients undergoing treatment in Wenatchee.

This year due to the pandemic, there continues to be an increased need to provide hotel lodging assistance as Our House remains open only in a reduced capacity.

Through our Social Services Assistance Program, funds are available for those guests who are in need of financial assistance or other related expenses such as:

- *Treatment related travel (gas cards, bus passes) and lodging
- *Qualifying medical expenses or supplies
- *Prescriptions or co-pays
- *Personal expenses may be considered on an individual basis

One-time Grant applications are available when expenses exceed \$200. Grants are considered subject to review and approval by the Social Services Committee. For further information please call Lin Stearns, Social Services Chairman at 509-860-0219 or Becky Elwell, Our House Manager at 509-630-6964.

EMILY SCOVILL

BY Rosa Eilert

When I was asked to interview Emily Scovill about her new position as Outreach/Communications Coordinator at Cancer Care, I had prepared questions to ask as I usually do. However, in walked Emily with a well-written document detailing what she does, plans to do and has already done for Our House. Rather than my asking her questions, she proceeded to explain all of the bullet points in her document. We have certainly acquired a gem in this young woman. She is the youngest daughter of our current Board President, Norma Scovill. She grew up in North Central Washington, has an AA from Wenatchee Valley College, a BA in Communications from Central Washington, and considers herself a "Jill of all trades" regarding technology and media. She is unafraid of new tech and loves to tinker around until she figures things out. Emily has been instrumental in the writing and implementation of a Nonprofit Reemergence Grant from the Community Foundation, a grant from Confluence Health and the acquisition of monies from the East Wenatchee American Rescue Plan funds. These funds have helped us to upgrade Becky's computer and router, buy office furniture, a new phone system, improve our website, add a Ring camera system to improve safety at the House's back entry and fund her position. She is also working on our social media presence, providing training to staff on various platforms, and updating all of our documents and forms. She is bringing us into the future in technology and marketing. We are off and running with Emily in the lead!

SPECIAL THANKS

Anjou Bakery – providing goodies for Our House guests

Precision Pest Solutions – fertilizing and pest control at Our House over the last several years

Warm Souls – a nonprofit organization committed to hug hearts and souls with donations of fleece blankets, socks and bottled water

Wenatchee Valley Lions – ongoing donations to the Our House Pantry

Willow Burts – loaning her beautiful quilts for display at Our House

Nyal and Kathy Horner – decorating Our House throughout the year

All Volunteers who helped tidy up the garden during the summer months

WE ARE HAPPY TO REPORT THAT CANCER CARE HAS BEEN AWARDED SEVERAL GRANTS IN 2021

- **Chelan-Douglas School Retirees' Association – May**
Provides for replacement of bed linens
- **Community Foundation Reemergence Grant – May**
Provides operational support for:
 - **Updating technology and communication tools**
 - Partial payment of the new phone system
 - Purchase of Hospitality HouseKeeper software (HIPAA-compliant database for guest/room metrics)
 - Purchase and installation of a Ring camera
 - **Creating a collaborative and digital plan for outreach**
 - Update marketing and existing material media
 - Digital outreach via social media/online campaigns
 - Collaborative general outreach and fundraising
 - **Creation and hire of a new position to facilitate these initiatives**
 - Seed funds for new position of Outreach/Communications Coordinator
- **Confluence Health/Wenatchee Valley Medical Group Community Partnership Fund – August**
 - Funds the purchase and maintenance of a Zoll 3 AED (automated external defibrillator) and the cost of AED/CPR training for three staff and up to 12 volunteers
- **East Wenatchee American Rescue Plan funds – September**
 - Funds are for Social Services - unrestricted use

Support Our House with Gift Card Donations on Make a Difference Day 2021

Make a Difference Day is **Saturday, October 23rd** and in lieu of our usual yard clean-up at Our House, we're inviting you, our community, to help support us through gift card donations on this special day. Since the pandemic began we have been operating Our House at half capacity, but we still serve cancer patients with hotel stays and travel-related costs. Gift cards from these establishments would be most helpful: Chevron, Shell, Safeway, Walmart, Fred Meyer, Target and Amazon. We suggest a minimum of \$25.00 but any amount will be greatly appreciated. Anything purchased with the cards will directly benefit our guests. Gift cards may be dropped into a provided container outside of Our House on Make a Difference Day from 9am to 3pm or you can send them to us at 1708 Castlerock Ave., Wenatchee, WA 98801. Thank you for your continued support of Our House!

ONE DAY AT A TIME – Fall 2021

Cancer patients and their families learn to live one day at a time. Each day is precious. Those facing life-threatening illnesses realize that the past is gone, the future uncertain, and every day is important to live life to the fullest. With your donation of \$100 to “One Day at a Time” you can assist in the operation and maintenance of the Cancer Care home project called **Our House**, for one day of the year. If you wish, you have the privilege of designating the day – to commemorate a special person or special event in one’s life. Your gift will be recognized at the house. Give today so that this home-away-from-home can continue to serve the needs of cancer patients for many years to come.
